

# Complete your registration

By Ronda K. Fields, LRSEF Co-Fair Director

## LRSEF 2016 Newsletter

LRSEF will be held from 8am to 5:00 EST on March 5, 2016

Thank you for **registering** for LRSEF 2016 via STEM Wizard. Feel free to contact LRSEF with any questions you may have via the STEM Wizard, message system. .

In addition to the check list that was shared in last week's newsletter, **be sure to complete the Required Signature Page and upload that into the Files Section! This form is required to compete.** It needs to have yours, a parent, and a teacher/sponsor signature.

The SRC (**Scientific Review Committee**) will start reviewing all LRSEF projects on Tuesday, February 16, 2016. If you receive a message via Stem Wizard you will need to address the issue that SRC asked you about before you will be able to compete. Once the SRC has accepted your registration, you will not be able to alter any of your forms or information.

The title you upload as of Monday, February 15 will be the **title listed in the printed program.** Be sure to check the spelling of your title and of your name before midnight on Monday.

***ABSOLUTELY NO HARDCOPIES OF INFORMATION WILL BE ACCEPTED.***

Students in Grades 6-12 from 52 KY counties may **register for the annual LRSEF** as a result of being selected as a winning project at their school or county science & engineering fair. **IF NO locally accessible fair is held**, any student in **public, private or home school** may register **directly for LRSEF**, with the support of their teachers. LRSEF 2016 will on **March 5 at Kentucky Science Center** in Louisville, KY.

**All 1<sup>st</sup> and 2<sup>nd</sup> place winners** of each category and a select few 3<sup>rd</sup> place winners will be invited to compete at the **KY Science and Engineering Fair (KY-SEF) on Saturday March 26, 2016 at Eastern KY University.**
